

Donate items for auction.

The Friends of the Bolton Public Library is launching an eBay Auction to benefit the renovation and expansion of the Library. You can help by donating your no longer wanted items to the auction. After the item is sold, you will receive a letter acknowledging your donation and the amount it sold for. The Friends of the Bolton Public Library is a nonprofit organization and the value of your item can be claimed as a charitable gift.

This is a good opportunity for you to clean out your closets, support the library, and get a tax write-off as well. Each donated item should be worth roughly \$50 or more. We will not be able to accept old clothes. Some of the items already donated include a Llardo statue, new Coach handbags, a Waterford crystal biscuit jar, and an antique card game.

You may donate your items in one of two ways. Drop smaller portable items off at the library during business hours. For larger, or multiple items call Pam Kaminski (779-9898) to arrange a pick-up.
